COLLECTIVE AGREEMENT

Between
THE ONTARIO PUBLIC SERVICE STAFF UNION
(hereinafter referred to as the "Union")

- and -

THE ONTARIO PUBLIC SERVICE EMPLOYEES UNION
(hereinafter referred to as the "Employer")

The Employer and Union each agree with each other as follows:

Unless otherwise indicated, provisions apply to all employees.

ARTICLE 1 - PURPOSE

1.01 It is the desire of both Parties to this Agreement:

- a) To maintain and improve the harmonious relations and settle conditions of employment between the Employer and the Union;
- b) To recognize the mutual value of joint discussions and negotiations in matters pertaining to working conditions, employment, services, etc.;
- c) To encourage efficiency in the operation of the Ontario Public Service Employees Union and to provide the best service to its members; and
- d) To promote the morale, well being and security of all the employees in the Bargaining Unit of the Union.

ARTICLE 2 - RECOGNITION

- 2.01 The Employer recognizes the Union as the sole and exclusive bargaining agent for all employees of the Employer save and except the Administrators, General Counsel, Executive Assistants, Supervisors, Assistant(s) to the President, Assistant(s) to the 1st Vice President/Treasurer, Corporate Secretary, Administrative Assistant Employee Relations, Assistant to Legal Counsel, Assistants to the Administrators, Articling Student(s) and Legal Counsel.
- 2.02 The Employer hereby consents and agrees to negotiate with the Union, or any of its authorized committees, concerning matters affecting the relationship between the

Parties to this Agreement, looking towards a peaceful and amicable settlement of any differences that may arise between them.

2.03 The Employer shall advise the Union at the time of an individual's engagement as a permanent employee, temporary employee, a Membership Development Trainee, or a Staff Development Trainee.

a) Permanent Employee

(i) A permanent employee is an employee who is hired on a permanent basis either full-time or part-time.

(ii) Permanent Part-Time

Definition:

A permanent part-time employee is an employee who is hired by OPSEU, in a classification covered by this Collective Agreement, who is regularly assigned hours of work, as determined by the Employer, provided that they are:

Less than full-time (35 hours per week) but not less than seven (7) hours per week.

b) Temporary Employee

(Applicable to Temp only)

A temporary employee is one who is hired on a full-time or part-time basis for:

- (i) A specific project;
- (ii) Work of a non-recurring nature;
- (iii) Replacing or partially replacing a full-time employee who is absent from their home position;

and shall perform the full range of duties and responsibilities of the position to which they are assigned.

Such assignments are not intended to fill regular complement positions on a permanent basis.

Such assignments are not to exceed a maximum of twelve (12) months, except when an employee is absent from their home position due to injury or illness in which case such assignments will not exceed a maximum of

twenty-four (24) months and can be extended beyond the initial period only by mutual agreement of the Parties. It is understood that the employer shall notify the Union no less than three (3) months in advance of the termination of the twenty-four (24) month period if it is requesting an extension to the temporary period of employment.

- (iv) Where such temporary employee is released prior to the end of his/her contract, the Employer will make reasonable efforts to give two (2) weeks' notice, and where notice is not provided, pay in lieu will be provided.

c) Membership Development Trainee
(Applicable to MDT only)

A Membership Development Trainee (MDT) is a dues-paying member of OPSEU who is doing a developmental training assignment to expand his/her knowledge and skills of the trade union movement.

A MDT is one who is hired on a full-time or part-time basis for:

- (i) A specific project;
- (ii) Work of a non-recurring nature;
- (iii) Replacing or partially replacing a full-time employee who is absent from their home position; and shall perform a limited range of duties and responsibilities of the position to which they are assigned under the direction and guidance of a Bargaining Unit member and/or Supervisor.

Such assignments are not intended to fill regular complement positions on a permanent basis.

Such assignments are not to exceed twelve (12) months duration without the mutual agreement of the Parties.

A MDT shall retain all rights and privileges as a member of OPSEU.

A MDT will pay dues to OPSSU and will be afforded their statutory rights by OPSSU.

d) Staff Development Trainee
(Permanent Staff)

- (i) Definition:

A Staff Development Trainee (SDT) is a permanent staff member of

OPSEU who is doing a training assignment at OPSEU. The emphasis in such assignments will be to develop staff in order to assist them to develop the qualifications, skills and abilities that they need in order to be considered for vacant positions that may arise in future and for which they may wish to compete.

- (ii) SDT opportunities shall be identified and made known to staff through an information posting for five (5) working days.
- (iii) A SDT shall perform a limited range of duties and responsibilities of the position to which they are assigned under the direction and guidance of a Bargaining Unit member, and/or Supervisor.

Such assignments are not intended to fill regular complement positions on a permanent or temporary basis.

- (iv) In an attempt to assist employees to enhance their skills and abilities, the Employer agrees to provide a minimum of four (4) SDT opportunities per year. For one (1) of the four (4) opportunities in the year, preference will be given to a candidate who identifies as “racialized” through the self-identification process, provided that candidate is relatively equal to the top candidate for the SDT opportunity.
- (v) Such opportunities are not to exceed six (6) months duration without the mutual agreement of the Parties.
- (vi) SDTs shall be paid at eighty-five (85%) percent of the starting salary of the classification in which they are filling a training assignment. Should the SDT's salary be higher than the range for the training assignment, the employee will continue to be paid at their current home rate.
- (vii) SDTs will continue to receive any salary schedule progression and negotiated increases that they would have received had they not been SDTs.
- (viii) Article 15.01.03 shall not apply to an employee in an SDT assignment.

A SDT in a Pro-Tech position shall receive compensating time of one (1) day per month. The compensating time may be taken as paid time off at their home position rate of pay after the SDT assignment ends and may not be banked from one (1) calendar year to the next nor can

it be cashed out.

(ix) Selection process:

SDT applicants shall be considered and evaluated for the developmental opportunity. Core requirements will be outlined in the posting.

Where the applicants are relatively equal, preference will first be given to the candidate who has not had a previous SDT assignment and second, by seniority.

SDT applicants must be available for the duration of the assignment except that they may take up to five (5) days of vacation leave of absence during the assignment.

ARTICLE 3 - MANAGEMENT'S RIGHTS

- 3.01 It is recognized that the management of OPSEU, the control of its properties and the maintenance of order of its premises are solely the responsibility of management.
- 3.02 Other rights retained by the management of the OPSEU are hereby recognized, prominent among which, but by no means wholly inclusive, are:
- a) The right to determine and effect its own methods and scope of operations; to determine the number of staff required to carry out its operations; to select, hire and direct them; the right to decide the number and location of offices; to establish policies and standards governing its operations; to discipline or to dismiss employees for just cause; and
 - b) To make and enforce reasonable rules of procedure and conduct during working hours or on Union assignment for its employees.
- 3.03 In making changes due to transfers or re-allocating servicing districts or assignments, seniority will be the governing factor providing qualifications and ability are equal. Employees will be notified at least two (2) months in advance if the transfer is intended to be of a duration exceeding six (6) months. It is further provided that such employees will be given as much notice as possible to promote, demote, to retire, or lay off employees due to lack of work. It is understood that such notice will be no less than two (2) months.
- 3.04 The rights referred to in Article 3 above shall be exercised subject to the provisions of this Agreement.

- 3.05 There shall be no written or verbal agreements with any employees that are contrary to this Collective Agreement.

ARTICLE 4 - UNION SECURITY

4.01 All Employees to be Members

All employees of the Employer as defined in Article 2.01 of this Agreement shall become and remain members in good standing of the Union according to the constitution and by-laws of the Union. All future employees of the Employer shall become and remain members in good standing in the Union within thirty (30) days of employment with the Employer.

4.02 Deductions

ARTICLE 6 – COMMITTEES

(Not applicable to MDT)

6.01 Bargaining Committee

The Employer agrees to recognize a committee of up to six (6) members selected by the Union as their committee for bargaining. Such members shall suffer no loss of salary or benefits carrying out these functions while meeting with management. Benefits shall mean group insurance, OHIP, pension, vacation, holidays, and sick leave.

In the event either Party wishes to call a meeting of the committee, the meeting shall be held at a time and place to be mutually agreed.

- 6.02.01 The function of the Employee/Employer Relations Committee shall be to establish a forum for consultation on changes in conditions of employment not governed by this Agreement and other matters of mutual interest; to permit negotiations of matters of mutual interest between employees in the Bargaining Unit and the management of OPSEU.
- 6.02.02 Such matters shall not be subject to the mediation and arbitration procedures under this Agreement, provided that nothing shall preclude a grievance alleging a violation of the Collective Agreement.
- 6.02.03 While the committee shall consider and attempt to resolve all problems of mutual concern, it is understood that the committee shall function in an advisory capacity and shall have no power to amend, or add to, or modify the terms of the Collective Agreement.

6.03 Joint Benefits Administration Committee

A joint employee/employer committee shall be established in order to advise the Employer on the effective administration of all benefit plans.

6.04.02 a) An employee who has a workload dispute shall first raise it as a complaint with their Supervisor. Failing resolution by the Supervisor, the employee may refer the dispute to the Workload Committee.

b) The Committee shall develop and update from time to time, processes and/or tools to measure the workload of individual employees. All workload complaints will be investigated by the joint committee in a timely manner and the committee shall make recommendations to the Employer on the outcome of the investigation and its suggested remedy of the workload dispute. The committee's investigation, recommendations and action to alleviate identified workload issues, shall be concluded no later than ninety (90) days following receipt of the complaint.

c) The decision of the Joint Workload Committee shall be forwarded to the employee within ninety (90) days of the receipt of the complaint by the Joint Workload Committee. Upon receipt of the decision or the expiry of the ninety (90) day period, the employee may file a grievance in accordance with Article 8 of the Collective Agreement.

6.05 Joint Accommodation Committee

Where an employee identifies a need for accommodation in accordance with the Ontario Human Rights Code, the Employer, the Union and the employee will meet to develop the terms of the accommodation. To facilitate this, the Parties will develop and maintain a process for addressing accommodation requests.

The Employer agrees to establish and maintain a Joint Accommodation Committee comprised of up to three (3) representatives of the Employer and up to three (3) representatives of the Union. Committee work shall be a duty assignment.

6.06 Joint Job Evaluation Committee

The Employer and the Union agree to establish a Joint Job Evaluation Committee, as set out in Article 18.

The Union's representatives shall suffer no loss of salary or benefits carrying out these functions including both attendance at meetings and prep time of two (2) hours per meeting.

ARTICLE 7 – RESOLUTIONS AND REPORTS

Copies of all changes in policies or rules and regulations adopted by the Employer, which affect the members of the Union, shall be forwarded to the Union.

ARTICLE 8 - GRIEVANCE PROCEDURE

The Parties agree that an employee has the right to Union representation at all stages of the grievance procedure.

8.01 Step 1

Within thirty (30) working days of the employee becoming aware of the grievance, the employee and/or a steward shall discuss with the employee's Supervisor, provided the section head is not a member of the Bargaining Unit and shall submit a completed grievance form and shall attempt to settle the dispute. The Supervisor shall render their written decision to the employee, with a copy to the Union, within seven (7) working days after such meeting.

Step 2

Failing a satisfactory settlement being reached at Step 1, the grievance may be submitted to the President within ten (10) working days from the receipt of the decision at Step 1. The President or their designate shall meet with the employee and/or a steward or a representative of the grievance committee within ten (10) working days thereafter, and attempt to settle the dispute. The President or their designate shall render their written decision to the employee, with a copy to the Union within seven (7) working days after such meeting.

Step 3

Failing a satisfactory settlement being reached at Step 2, the grievance shall be submitted to arbitration in accordance with the provisions of the Ontario Labour Relations Act by either Party giving notice in writing to the other Party of its desire,

within twenty (20) working days from the receipt of the decision at Step 2.

8.02 Definition of Working Days

For the purposes of this article, working days shall not include Saturday, Sunday, paid holidays as provided in Article 20.01 or the Christmas-New Year's shutdown period as set out in Article 20.03.

8.03 Definition of Grievance

A grievance in writing shall be defined as a difference arising between the Employer and any employee or the Union, relating to the interpretation, application or administration of this Agreement, including any question as to whether any matter is arbitrable.

8.04 Policy Grievance

Either the Employer or the Union may lodge a policy grievance within thirty (30) working days of the circumstances giving rise to the grievance becoming known. Such grievance shall be processed beginning at Step 2 of the grievance procedure. In the case of a Union grievance, such grievance shall be signed by at least two (2) members of the grievance committee. In the case of a grievance against the Union, such grievance shall be signed by the President and at least one other employer representative. The Union may not claim compensation for an individual employee through a policy grievance unless that employee signs the policy grievance.

8.05 Harassment

The time limits set out in Article 8.01 do not apply to complaints under Article 32, provided that the complaint is made within a reasonable time of the conduct complained of, having regard to all the circumstances.

8.06 Facilities for Grievance

The Employer shall supply the necessary facilities for grievance meetings.

8.07 Time Limits

Wherever time limitations are provided in this Article, such limitations may be extended by written agreement of the Parties. It is understood that the time limits in this Article are mandatory and not merely directory.

8.08 Supplementary Agreements

Supplementary agreements, if any, shall form part of this Agreement and are subject to the grievance and arbitration procedure.

8.09 Mediation/Arbitration Procedure

- 8.09.01 Except for grievances concerning dismissal, layoff, sexual harassment, and/or human rights and Union grievances with corporate policy implications, all grievances not resolved at Step 2 shall proceed to a single mediator/arbitrator agreed to by the Parties for the purpose of resolving the grievance in an expeditious and informal manner.
- 8.09.02 The mediator/arbitrator shall endeavor to assist the Parties to settle the grievance by mediation.
- 8.09.03 If the Parties are unable to resolve the matter through mediation, the mediator/arbitrator shall determine the grievance by arbitration if mutually agreed by the Parties. If no mutual agreement, the matter shall proceed through the regular arbitration process. The mediator/arbitrator, when determining the matter by arbitration, may limit the nature and extent of the evidence and may impose such conditions as they deem appropriate.
- 8.09.04 Grievances concerning dismissal, layoff, sexual harassment, and/or human rights and Union grievances with corporate implications shall proceed through the regular arbitration procedure and shall not utilize this mediation/arbitration procedure except with the mutual agreement of the Parties.
- 8.09.05 There shall be no precedential value of decisions under the expedited process set above, unless agreed otherwise by the Parties

ARTICLE 9 - DISCHARGE, SUSPENSION AND DISCIPLINE

(Not applicable to MDT or Temp)

9.01 General

- 9.01.01 An employee who has completed their probationary period may be dismissed or disciplined but only for just cause and only upon the authority of the President of OPSEU. It is acknowledged that authority for discipline, save and except dismissal, is routinely delegated to the non-bargaining unit supervisory employees of OPSEU.
- 9.01.02 Reason for discharge or suspension shall be given in writing to the employee with a copy to the Union.
- 9.01.03 An employee considered by the Union to be wrongfully or unjustly discharged, may present a grievance commencing at Step 2 of the grievance procedure.

9.01.04 In determining any grievance arising out of a claim of discharge or other discipline, the Arbitration Board may dispose of the claim affirming the Employer's actions and dismissing the grievance; by setting aside the disciplinary action involved and restoring the Grievor to their former position, with or without compensation; by substituting a lesser or different penalty for the discharge or discipline; or in such other manner as may, in the opinion of the Arbitration Board, be justified and equitable.

9.02 Unjust Suspension or Discipline

Should it be found upon investigation that an employee has been unjustly suspended, discharged or disciplined, such employee shall be reinstated in their former position, without loss of seniority; and shall be compensated for all time lost in any amount equal to their normal earnings, or by any other arrangement as to compensation, which is just and equitable, in the opinion of the Parties or in the opinion of the Arbitration Board, if the matter is referred to such Arbitration Board.

9.03 Representation

Any employee appearing before the Employer or employer representative for disciplinary measures shall be notified in advance and shall have the right to be represented by a steward or grievance committee member.

9.04 Personnel Files

Upon serving reasonable notice to the Employer, employees shall have reasonable access to their personnel file.

9.05 Adverse Reports

The record of an employee shall not be used against the employee at any time after twenty-four (24) months following suspension or disciplinary action, and any letters of reprimand or adverse reports shall be removed from their file at the end of the twenty-four (24) month period. A copy of such reports shall be given to the employee.

ARTICLE 10 – SENIORITY

(Not applicable to MDT or Temp except as otherwise indicated)

10.01 Definition

10.01.01 Seniority is defined as the length of service with the Employer as a permanent employee in a position within this Bargaining Unit, except that an employee shall continue to accrue seniority within the Bargaining Unit while assigned to a position

outside the Bargaining Unit, for a maximum of six (6) months.

10.01.02 Notwithstanding Article 10.01.01, for the purpose of calculating seniority in the Bargaining Unit, seniority shall include temporary service provided the temporary service was continuous and unbroken prior to the employee becoming a permanent employee.

Employment as a Membership Development Trainee as defined in clause 2.03 (c) shall not be included in any calculation of seniority.

10.01.03 Notwithstanding the above, former members of the Bargaining Unit, demoted back into the Bargaining Unit in accordance with Article 11.01.06 shall count their continuous service in a position outside the Bargaining Unit as if it were seniority earned within the Bargaining Unit.

10.01.04 When a permanent full-time employee's status is changed to permanent part-time, seniority shall be carried over on the basis of one (1) year of seniority being equal to eighteen hundred and twenty (1820) hours of work.

10.02 Seniority List

The Employer shall maintain a seniority list showing the date upon which each employee's service as a permanent employee commenced, plus accrued seniority. Up-to-date seniority lists shall be sent to the Union on June 30th and December 31st of each year.

10.03 Probationary Employees

10.03.01 Probationary Period

- a) Newly hired employees shall be considered on probation for a period of five (5) months worked for all permanent full-time employees, and one hundred (100) days worked for all permanent part-time employees, from the date of hire. During the probationary period, employees shall be entitled to all rights and privileges of this Agreement, except with respect to discharge. The employment of such employees may be terminated at any time during the probationary period without recourse to the grievance procedure. After completion of the probationary period, seniority shall be effective from the original date of employment as a permanent full-time employee or as a permanent part-time employee.
- b) The probationary period may be extended by mutual agreement between the Parties. The extension of the probationary period may not exceed four (4) months worked, in the case of permanent full-time employees, or eighty (80) days worked, in the case of permanent part-time employees, beyond the original probationary period.

10.03.02 Probation - Permanent Part Time

The probationary period for a permanent part-time employee will be one hundred (100) days.

10.04 Loss of Seniority

10.04.01 If an employee is absent from work because of sickness, long-term disability, or accident, the employee shall not lose seniority rights and shall continue to accumulate seniority.

10.04.02 If an employee is absent from work because of layoff or leave of absence, the employee shall not lose seniority rights, but shall not continue to accumulate seniority.

10.04.03 An employee shall lose all seniority and their employment shall be deemed to have been terminated if:

- a) The employee is absent from work without leave or authorization for a period of five (5) working days, except for reasons acceptable to the Employer;
- b) The employee is discharged for just cause and is not reinstated through the grievance procedure;
- c) The employee resigns;
- d) The employee fails to return to work within five (5) working days following layoff and after being notified by registered mail to do so, unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Employer informed of their current address; or
- e) The employee is laid off for a period longer than twenty-four (24) months.

10.05 Retention of Rights and Privileges

Should the Employer merge, amalgamate or combine any of its operations or functions with another organization, the Employer, through whatever merger agreement involved, agrees that all benefits and conditions of employment enjoyed by the employees shall not be adversely affected.

10.06 On Call - Back Up Temporary Employees

(Applicable to Temp only)

A temporary employee who is hired by OPSEU as a “backup” to the Regional Secretary or PPT position in a Regional Office shall not lose any accrued seniority provided that the time frame between consecutive call-ins does not exceed two (2)

calendar years.

10.07 Permanent Part Time Seniority
(Applicable to PPT only)

10.07.01 Seniority for permanent part-time employees shall be accumulated on the basis of total hours worked since the date of commencement of employment as a permanent part-time employee.

10.07.02 When a permanent part-time employee's status is changed to permanent full-time, seniority shall be carried over on the basis of eighteen hundred and twenty (1820) hours worked being equal to one (1) year of seniority.

ARTICLE 11 - PROMOTIONS AND STAFF CHANGES

(Not applicable to MDT or Temp unless otherwise indicated)

11.01 Posting of Positions/Vacancies

11.01.01 When a permanent vacancy occurs, or a new position is created, the Employer shall post notice of the position in the Employer's head office and regional offices, for at least ten (10) working days, so that all employees will know about the full time vacancy or new position.

11.01.02 Notwithstanding the language of Article 11, Article 16.04 continues to apply.

11.01.03 Except where the Employer has decided to leave a position vacant and has not assigned any person to perform the duties normally associated with that position, all new positions and all permanent vacancies shall be posted within two (2) months of the position becoming vacant or the new position being created.

11.01.04 Notwithstanding the above, when the Employer demotes any permanent employee covered by this Collective Agreement, it shall not be required to post the vacancy to which the demotion is made. The Union will be advised in advance of any vacancy to be so filled.

11.01.05 a) All postings shall contain the following information:

- (i) The nature of the position;
- (ii) The qualifications, required knowledge, education and skills;
- (iii) The salary range;
- (iv) The location and Division of the position; and
- (v) The job description.

- b) A support staff employee shall not be re-tested for any skill set and level (i.e.: Basic, Intermediate, Advanced) for which they had previously been tested and passed. Further, employees will be provided with the necessary updates and training for any new technology or software introduced into the workplace that is relevant to their position.
- 11.01.06 The Employer has the right to demote a permanent employee from outside the Bargaining Unit into a new position and shall not be required to post the new position. The Union will be advised in advance of any new position to be so filled.
- 11.01.07 When permanent employees are assigned to acting positions outside the Bargaining Unit for purposes other than replacing an employee who is on leave of absence, the resulting home position vacancy must be posted as a permanent vacancy after six (6) months, unless otherwise mutually agreed.
- 11.02 Method of Filling Positions/Vacancies
- 11.02.01 a) Permanent employees with more than eighteen (18) months in the Bargaining Unit shall receive first consideration, before anyone else inside or outside the Bargaining Unit is considered for all posted positions/vacancies.
- b) A permanent employee whose application demonstrates that they meet the requirements for the position as posted shall be invited to participate in the full competition process.
 - c) Where all other factors are relatively equal, appointment shall be made of the applicant with the greatest seniority.
 - d) Where the successful candidate of a job competition declines the job offer, the Employer shall offer the position to the runner-up(s) in the competition, provided the candidate had a passing score in the competition.
- 11.02.02 The Employer need not consider any Pro-Tech employee applying for permanent position or temporary vacancy until they have completed twenty-four (24) consecutive months of service in their current position.
- 11.02.03 The Employer need not consider any Support or Service Staff employee applying for a permanent position or temporary vacancy until they have completed nine (9) consecutive months of service in their current position.
- 11.02.04 Employer shall exercise its discretion under 11.02.02 or 11.02.03 above in an equitable manner.
- 11.02.05 For an employee hired into a permanent position that arises as a result of applying the provisions of Appendix B(2)(b), and in the event the employee returns to their

home position, the new hire may exercise their seniority rights pursuant to Article 12.

11.02.06 Unless the Parties agree otherwise, when a full-time non-complement position is occupied for more than twelve (12) months by any combination of MDTs and/or temporary employees, hired for a specific project or work of a non-recurring nature, the position will be posted as a full-time vacancy.

11.02.07 All positions are to be filled within four (4) months of the posting except where the Employer has notified the Union that it is considering the elimination of a position, or where no suitable candidate has been found, or where circumstances beyond the Employer's control make it impossible to fill within four (4) months, in which case it shall be filled as soon as reasonably possible.

For the purposes of this Article "filled" is satisfied by an accepted offer of employment.

11.02.08 Temporary Vacancy Process

- a) Temporary vacancies which are known at the outset to be six (6) months or more shall be posted via an email to OPSSU staff inviting them to indicate an expression of interest for the temporary vacancy.
- b) The qualifications required for the position will be set out in the email and staff shall be asked to provide a resume and letter of interest.
- c) The temporary vacancy will be posted to the OPSSU Bargaining Unit via email for five (5) working days. The resulting vacancy, if applicable, will be posted to the OPSSU Bargaining Unit via email for three (3) working days. Further resulting vacancies, if any, will be filled at the sole discretion of the Employer.
- d) The Employer will review and assess the received resumes and/or letters to determine those who meet the requirements of the posting. Where there is more than one (1) applicant determined to meet the necessary requirements, they will be invited to test.
- e) Where there is more than one (1) applicant as described in (d) above, the position will be awarded on the basis of achieving the highest passing score. The passing score will be indicated to the applicant(s) prior to testing. Seniority shall prevail where candidates who have passed the test are relatively equal. Relative equality will be measured in the range of ten percent (10%).

- f) For the resulting vacancy, the successful candidate will be selected by the Employer on the basis of meeting the requirements for the position as determined by their resume and/or letters. The most senior candidate who meets these requirements will be selected without testing.
- g) The successful candidate(s) for the temporary vacancy as per this process will be given orientation only. Training will not be provided. The individual must be able to fulfill the requirements of the position.
- h) An OPSSU Bargaining Unit member in a temporary assignment will not be considered for another temporary vacancy that commences prior to the conclusion of the employee's current temporary assignment. However, the employee can apply for any permanent vacancies that arise.
- i) This provision is not intended for employees in the same job classification to change venues or to change assignments within the same classification.

11.03 Promotions

If in filling a vacancy a promotion results, an employee shall receive that rate of pay in the salary range of the new classification which is the next higher to their present rate of pay in their home position, and which provides for at least one full increment.

11.04 Trial Period

11.04.01 In the event the successful applicant is unable to perform the requirements of the position in a satisfactory manner, within a period not exceeding three (3) months from date of the appointment; the employee shall be returned to their former position without loss of seniority, and their salary will be adjusted to the appropriate step in their former position.

11.04.02 Any other employee, promoted or transferred as a result of another employee returning to their former position during the trial period, shall also be returned to their former position without loss of seniority, and their salary will be adjusted to the appropriate increment in their former position.

In the event of satisfactory performance, the employee may return to the former position upon the mutual consent of the employee and the Employer.

11.05 Temporary Employees (Applicable to Temp only)

Temporary employees may compete for permanent positions provided they have been in the active employ of the Employer for nine (9) months after the internal search as referenced in Article 11.02 and prior to the Employer posting the position/vacancy

to the public.

11.06 Transfers – Pro-Tech Staff

- 11.06.01 a) It is understood by the Parties that the provision of service to the membership is the most important function of OPSEU. Therefore, from time to time, as circumstances require, OPSEU may temporarily assign to an employee in one (1) classification, those duties and responsibilities normally associated with another classification. Such temporary assignment shall not exceed three (3) months, unless extended by mutual agreement.
- b) It is further understood that such temporary assignments shall not be made in a discriminatory manner.
- c) It is further understood that no employee performing work arising from assignments under this Article will be disciplined for unacceptable performance. This does not prevent the Employer from using the normal disciplinary clause.
- 11.06.02 When an employee is geographically transferred for a period of less than three (3) months but more than one (1) week, such geographic transfers shall be deemed temporary and the following terms and conditions shall apply:
- a) A minimum of one (1) week shall be given as notice of the Employer's intent to carry out a temporary transfer, except in cases of closure or strikes, in which case, every effort will be made to give as much notice as the emergency circumstances may be said to reasonably allow, it being understood that this is likely to be less than one (1) week;
- b) The Employer will pay expenses as described elsewhere in Article 17;
- c) The Employer shall pay the return expenses of travel to the employee's normal place of residence every weekend when such assignments are to Regions 1, 2, 3, 4, 5, Sudbury or North Bay. Expenses of travel will be paid every second weekend when such assignments are to Sault Ste. Marie, Timmins or Region 7;
- d) However, if the employee is assigned to work a weekend, these days will count as lieu days as per the Collective Agreement. These lieu days may be used at the employee's discretion to return home. The Employer will pay the return travel;
- e) Prior to exercising its rights under this Article, the Employer agrees to discuss transfers of a temporary nature with the Union and the employee. The purpose of such consultation shall be to minimize or eliminate any inconvenience

arising from the temporary transfers. An employee may decline a temporary transfer for compassionate reasons, related to the immediate family, which necessitates the presence of the employee. Immediate family shall have the same meaning set out in Article 13.01.02.

ARTICLE 12 - LAYOFF AND RECALL PROCEDURE

(Not applicable to PPT, MDT or Temp unless otherwise indicated)

12.01 Alternatives

12.01.01 Both Parties recognize that job security should increase in proportion to length of service. If there is to be a reduction of the number of personnel within the Bargaining Unit, the Employer will give the Union as much advance notice as possible, and discussion will begin to determine what should be done with those employees whose positions become redundant. This discussion will also include reviewing alternatives to the layoff. The Employer must release all Temporary Employees and MDTs, and SDTs must return to their former positions, before any Notices of Layoff are issued. Employees working in the same job category, (i.e., Professional/Technical, Support or Services Staff) shall be laid off in the reverse order of their seniority in that category. No one shall be laid off provided the employee has the qualifications and ability to perform the job of a less senior person working in the same job category, or failing that, a permanent position the person has previously held in any category for a consecutive six (6) months.

12.01.02 Employees shall be recalled to work in the order of their seniority. No new employees in the same job category will be hired until those laid off in that job category have been given the opportunity of employment.

12.02 Attrition

It is understood that attrition can be used effectively as a redeployment strategy. The Employer agrees that, wherever practicable, attrition will be utilized as an alternative to layoffs.

12.03 Voluntary Exit Option

12.03.01 As an alternative to layoffs, the Parties shall activate the Voluntary Exit Option (VEO) as follows:

- a) An employee is eligible for the VEO, and must apply to the Administrator of Employee Relations in writing by the date established by the Employer;
- b) An employee deciding to accept the VEO will be deemed to have terminated their employment with the Employer effective sixty (60) days from the date

established in subsection (a). For purposes of eligibility for employment insurance, the Employer will provide a letter confirming the loss of employment is due to workforce reduction;

- c) The VEO shall provide, in addition to entitlements under Article 34, two (2) weeks of pay per year of service;
- d) The Employer will cooperate with an employee taking the VEO with respect to timing and direction of payments to maximize the benefit of the VEO to the employee under the current income tax laws and regulations;
- e) The number of VEO requests that the Employer needs to consider shall be equal to the number of layoff notices that would be issued under Article 12.04.

12.04 Notice of Layoff

The Employer shall notify permanent employees who are to be laid off six (6) months before the layoff is to be effective.

12.05 Displacement Rights

12.05.01 The Parties agree to the orderly application of displacement rights for the employees who receive layoff notices under Article 12, and all others who are bumped out of their positions as a result, as follows:

- a) An employee who is provided with a layoff notice or who is bumped out of their position will receive a letter from the Employer advising the employee that the option to exercise displacement rights, if applicable, can be initiated by them in the following manner:
 - i) The displacor shall identify the position they wish to bump into from the list provided by the Employer.

The displacor is only eligible to bump into a position in the same job category currently held by an incumbent with lower seniority. The list provided by the Employer shall identify by job category, the employee name, position, salary range, and seniority currently held by the respective incumbents. The list shall include the position in the nearest geographic location where an incumbent in the same job category has lower seniority. The displacor should indicate their first, second, and third choices in case another displacor with greater seniority makes the same choice.

- ii) It is understood that the displacor shall have the entry level qualifications and ability to perform the work of the position held by the less senior employee working in the same job category for which the displacor is

exercising displacement rights.

12.05.02 An employee who chooses to exercise their displacement rights must send a letter either by email, registered mail, overnight courier, or facsimile to be received by the Administrator of Employee Relations within ten (10) calendar days of receipt of their letter from the Employer. An employee who fails to indicate a choice within this period shall be deemed to have chosen to be laid off.

12.05.03 The Employer's obligation to provide a letter to an employee under this Article shall be met by the sending of this letter to the employee's current address on file with the Employer, as well as the employee's office, and the subsequent delivery of a copy of the correspondence to the Union.

NOTE: All clauses above are applicable to PPT, with the exception that PPT can only displace into a PPT position.

12.06 Voluntary Layoff

12.06.01 In the event of a layoff, another employee may offer to be laid off provided the employee who received the notice of layoff has the entry level qualifications and ability to perform the work of the position held by the employee who offers to be laid off. All rights and entitlements to severance shall apply and the Employer will provide details of rights and entitlements at least thirty (30) days in advance of the exit date of the laid off employee. The exit date shall be calculated in accordance with the date of the original notice of layoff.

12.06.02 The employee shall advise the Administrator of Employee Relations, in writing, of their desire to make an offer of voluntary layoff.

12.07 Recall Period

Employees who are laid off shall be placed on a recall list and shall retain, but not accrue, seniority for twenty-four (24) months.

12.08 Tuition Fees

An employee who is laid off may be reimbursed for tuition fees up to a maximum of three thousand dollars (\$3,000), on the production of receipts, for an approved educational course. Such approved educational course(s) shall be completed within twelve (12) months of the date of layoff.

12.09 Transition Support

An employee who is laid off will be provided with transition support, which may include skills assessment, counselling, and job search skills to a maximum of one thousand five hundred dollars (\$1,500). Such transition support must be accessed within three

(3) months of the date of layoff.

12.10 Continuation of Benefits

12.10.01 All benefits coverage will cease at the date of layoff, or to the date required by any statutory notice periods, whichever is the later.

12.10.02 An employee who is laid off may continue to pay the full premium cost of Life, Health, and Dental coverage for up to a further six (6) months from the date of layoff.

12.11 Termination Pay

An employee who is laid off will receive termination/separation pay at the rate of one (1) week's regular salary for each year of service. The employee is also entitled to any severance pay under Article 34.

12.12 Permanent Part Time Layoff and Recall Procedure

(Applicable to PPT only)

12.12.01 Both Parties recognize that job security should increase in proportion to length of service. If there is to be a reduction of the number of personnel within the Bargaining Unit, the Employer will give the Union as much advance notice as possible and discussions will begin to determine what should be done with those employees whose positions become redundant.

Employees working in the same job category, i.e. Professional/Technical, Support or Service Staff shall be laid off in the reverse order of their seniority in that category. No one shall be laid off provided he/she has the qualifications and ability to perform the job of a less senior person.

12.12.02 Employees shall be recalled to work in the order of their seniority. No employee will be hired until those laid off have been given the opportunity of employment.

It is understood that it is the employee's responsibility to prepare and submit a properly completed time sheet on a weekly basis, and where an employee has not completed and submitted a

time sheet to their Supervisor for approval for six (6) consecutive weeks, no further salaries or wages will be paid to the employee until the time sheets are submitted and received by the employee's Supervisor.

27.01.02 An employee, who is going on vacation or on an approved leave of absence, shall be paid in advance; provided that fifteen (15) days' notice, prior to the starting date of the vacation or approved leave of absence, is given by the employee.

27.01.03 Employees shall receive their regular pay by direct deposit.

A permanent part-time employee will progress through the salary grid when placed in an acting full-time position after an initial three (3) month period in the position. After the initial three (3) month period, every hour spent replacing in the upgraded position will count towards the schedule referred to in (b).

OPSEU agrees to maintain a record of all hours worked.

27.01.06 MDT Wage

- (vii) Where the float is less than zero point one percent (0.1%), no quarterly payments shall be made, and the payment shall be added to the next quarterly payment, if any, or in any event by the end of 1993.
 - (viii) Effective December 31, 1993, the allowance will be folded into the base rates of each classification.
- b) Effective January 1, 1994, the following provisions shall apply:

 - (ii) No change, retroactive or otherwise, will be made due to any revision in any published Statistics Canada Consumer Price Index figures.
 - (iii) The average CPI (Ontario) for October to December 1993 plus five percent (5%) will be the Base Index for all calculations of the COLA float.
 - (iv) The COLA float will be calculated on a quarterly basis for 1994 for quarters ending March 31, 1994, June 30, 1994, September 30, 1994 and December 31, 1994, with the understanding that the COLA float calculated will not be reduced from the previous quarter.
 - (v) The COLA will be a lump sum payment based on regular time hours worked during the quarterly period. The Employer will endeavour to make quarterly lump sum payments within the month following the publication of the CPI.
 - (vi) The float will be an amount equivalent to the percentage increase in the quarterly (three-month average) CPI above the Base Index.
 - (vii) Where the float is less than zero point one percent (0.1%), no quarterly payments shall be made, and the payment shall be added to the next quarterly payment, if any, or in any event by the end of 1994.

(Applicable to PPT only)

Relocation expenses will be covered as per the Collective Agreement when a permanent part-time employee applies for and successfully receives an appointment to a full-time position in another location. No expenses in this regard will be covered to relocate the permanent part-time employee competing for a permanent part-time position in another location.

ARTICLE 29 - PLURAL OR FEMININE MAY APPLY

29.01 Whenever the singular or masculine is used in this Agreement, it shall be considered as if the plural or feminine has been used.

ARTICLE 30 - CONTRACTING OUT
(Not applicable to Temp and MDTs)

30.01 No Bargaining Unit position shall be eliminated as a result of assignment of

Bargaining Unit work to an outside contractor or agency.

30.02 The Employer agrees that work or services currently performed or hereafter assigned to the Bargaining Unit, as regular and continuing work, shall not be assigned in whole or in part to any outside contractor while a Bargaining Unit member in the Section has the qualifications or the technical ability to perform the work or service. In regional offices this provision only relates to regular and continuing work performed by regional office staff.

30.03 The Employer agrees that no permanent Bargaining Unit position will be eliminated by the use of MDT, Temporary, Contract and/or Agency employee.

ARTICLE 31 - POLITICAL CONTRIBUTIONS

(Not applicable to Temp or MDT)

31.01 On an optional basis, once every calendar year, employees may select participation in, or withdrawal from, a regular monthly payroll deduction system, for the purpose of making contributions to the political party of the employee's choice. The regular monthly payroll deduction shall be in multiples of five dollars (\$5).

ARTICLE 32 – NO DISCRIMINATION OR HARASSMENT

32.01 Discrimination

There shall be no discrimination, restraint, or intimidation practised or permitted by the Employer or the Union or any of the officials or officers of the Employer or the Union against any employee because of sex, sexual orientation, gender identity, gender expression, age, marital status, race, colour, creed, ancestry, place of origin, political opinions, ethnic origin, citizenship, family status, receipt of public assistance, record of offences, on account of any Union activity, or because of disability or upon any other grounds referenced in the Ontario Human Rights Code.

32.02 Harassment

There shall be no discrimination, restraint, or intimidation practised or permitted by the Employer or the Union or any of the officials or officers of the Employer or the Union against any employee because of sex, sexual orientation, gender identity, gender expression, age, marital status, race, colour, creed, ancestry, place of origin, political opinions, ethnic origin, citizenship, family status, receipt of public assistance, record of offences, on account of any Union activity, or because of disability or upon any other grounds referenced in the Ontario Human Rights Code.

a) Bullying/Psychological Harassment

Bullying/psychological harassment refers to any vexatious behaviour that is known, or ought reasonably to be known, to be unwelcome and that:

- (i) Takes the form of repeated conduct which could reasonably be regarded as intending to intimidate, offend, degrade or humiliate;
- (ii) Affects an employee's dignity, or psychological or physical integrity;
- (iii) Results in a harmful work environment.

Examples of bullying/psychological harassment include, but are not limited to, the following:

- (i) Berating/belittling an individual;
- (ii) Repeated unwarranted criticism;
- (iii) Undermining or deliberately impeding a person's work;
- (iv) Spreading malicious rumours or gossip that is not true; and/or
- (v) Physical gestures intended to intimidate, offend, degrade or humiliate an individual.

b) Sexual Harassment

Sexual harassment refers to sexual solicitations or advances, or reprisals for rejection of such solicitations or advances that are made by a person who knows or should know that such solicitations and advances are unwelcome.

Sexual harassment includes such things as unwelcome sexual contact and remarks, leering, inappropriate staring, unwelcome demands for dates, requests for sexual favours and displays of sexually offensive pictures or graffiti. For example, repeated and vulgar sexual comments to an employee could be a course of conduct constituting sexual harassment.

Sexual harassment also requires a "course of conduct," which means that a pattern of behaviour or more than one (1) incident is usually required for a complaint to be upheld. However, a single significant incident may be sufficiently offensive to be considered sexual harassment.

Mutually acceptable social banter or flirtation is not sexual harassment. However, tolerance for such behaviour varies and accordingly, employees should not

continue with such conduct if any employee feels uncomfortable with it. Similarly, a workplace romance between two (2) consenting persons is not sexual harassment. However, if one (1) employee ends the relationship and the other party persists in trying to continue the relationship, this can constitute harassment.

- c) Reasonable action by the Employer in the course of managing the workplace is not harassment. Examples of this include, but are not limited to the transfer, denial or promotion, demotion, discipline, counsel or dismissal of an employee consistent with this Collective Agreement.
- d) The Parties recognize that harassment is unacceptable in the workplace, and to that end acknowledge the following objectives:
 - (i) A complaint of this nature shall be promptly investigated and, where warranted, appropriate action taken;
 - (ii) Every effort shall be made and maintained by all Parties to treat the complaint in a sensitive and confidential fashion, consistent with providing reasonable information to the complainant and the person against whom the complaint is made as to the nature of the allegation, the progress of the complaint, and its resolution or disposition;
 - (iii) An individual who feels that they have been bullied or harassed should contact their immediate supervisor or Employee Relations for advice on how to deal with the problem, including information on how to file an internal complaint;
 - (iv) Frivolous allegations of bullying/psychological harassment that are unfounded will be treated as a disciplinary offence, that could lead to dismissal;
 - (v) Allegations found to be true, will be treated as a disciplinary offence that could lead to dismissal.
- e) It is agreed that the complainant may choose a Union representative to assist them in presenting the complaint.
- f) The Employer agrees to work with the Union to develop a comprehensive harassment policy, including a complaint procedure, with a mediation and investigation process.

ARTICLE 33 - PERSONAL TASKS

33.01 Under no circumstances, will any employee be requested to perform tasks for a supervisor, or any other employee, which may reasonably be deemed to be of a personal or demeaning nature. Specifically, no employee will be required to run personal errands, make purchases of a personal nature, conduct financial transactions of a personal nature or prepare or serve beverages or food.

ARTICLE 34 - SEVERANCE PAY

(Not applicable to Temp or MDT)

- 34.01 a) An employee will be entitled to severance pay upon ceasing to be an employee of OPSEU in an amount equal to one (1) week of earnings for every year of service to a maximum of twenty-six (26) weeks. Such amount shall be calculated on a prorated basis at the rate of pay at the time of termination or retirement. No employee shall accumulate severance pay when on a leave of absence or long-term disability that exceeds a period of twelve (12) months continuous absence.
- b) Permanent staff who currently have over twenty-six (26) years of service shall receive one (1) week of earnings for every year of service, but with no further accrual.
- c) Employees resigning with less than six (6) years of service shall receive no severance pay.

ARTICLE 35 - STAFF PARTICIPATION

(Not applicable to MDT, Temp unless otherwise noted)

- 35.01 The Employer agrees to provide OPSSU with three (3) OPSEU delegate credentials to the CLC, three (3) OPSEU delegate credentials to the OFL convention and one (1) OPSEU delegate credential to the NUPGE convention. The Employer will pay all normal expenses associated with attendance at the conventions equivalent to those paid to OPSEU members. OPSSU shall nominate members to the President of OPSEU.
- 35.02 The President of OPSEU will designate OPSEU staff to participate in various conferences, seminars, etc. as per the current OPSEU policy manual.
- 35.03 The President and 1st Vice-President of OPSSU shall be assigned to all OPSEU Conventions.

35.04 No Reprisals
(Applicable to Temp)

The Employer shall take no action or reprisal against an employee for refusing to cross a picket line of an OPSEU supported strike by a recognized trade union.

35.05 Indemnification
(Applicable to Temp)

An Employee shall at all times be indemnified in the execution of their duties provided that the employee acted honestly, legally, and in good faith with a view to the best interests of OPSEU. The costs associated with legal representation shall be consistent with OPSEU's practice for member representation.

35.06 Internal Disclosure
(Applicable to Temp)

The Employer agrees that no employee will be disciplined for responsibly bringing any revenue and/or expenditure control matters to the attention of the Employer through the EERC process.

ARTICLE 36 - DURATION OF THE AGREEMENT

36.01 This Agreement shall continue in force and effect from March 10, 2019 until March 9, 2022.

36.02 Either party to this Agreement may, not more than ninety (90) days prior to the expiry of the Agreement, present to the other Party in writing, proposed terms of a new or further Agreement, and/or amendments to this Agreement.

A conference shall be held within twenty (20) days, at which time the Parties will commence negotiations on the proposed amendments and/or the terms of a new Agreement. The terms of this Agreement will continue in force until a new Agreement is executed, or until conciliation procedures, as provided in the Ontario Labour Relations Act, have been concluded, whichever should first occur.

36.03 Retroactivity

All improvements are effective the date of ratification of the Collective Agreement, unless otherwise stated.

IN WITNESS WHEREOF each of the Parties has caused this Agreement to be signed by its duly authorized representatives.

DATED at Toronto, Ontario, this 4th day of February, 2020.

b) Eligibility

Any employee having three (3) years' seniority with the Employer is eligible to participate in PLP.

c) Application

Eligible employees must give six (6) months written notice of their desire to participate in the PLP. Such notice must set out the deferral programme requested and the time frame for the year of leave. When two (2) or more employees from the same unit request the same deferral programme and time frame, such conflicts will be resolved by the most senior employee getting first preference.

d) Deferral Plans

The following shall constitute the PLPs available:

- (i) Two (2) years deferral of one-third (1/3) of annual salary in each year followed by one (1) year of leave;
- (ii) Three (3) years deferral of one-quarter (1/4) of annual salary in each year followed by one (1) year of leave;
- (iii) Four (4) years of one-fifth (1/5) of annual salary in each year followed by one (1) year of leave; or

The remaining percentage of the annual salary will be deferred and this accumulated amount shall be retained for the participant by the Employer to finance the employee's year of leave. Interest earned on the principal retained by the Employer shall be according to the rates set out in (ii) below and shall be paid out annually to the employee in compliance with Federal Income Tax regulations.

(ii) Interest Rate

The calculation of interest under terms of each PLP shall be monthly (not in advance). The minimum rates will be those set out in writing by the bank branch with which the Employer deals.

Interest, calculated as above, shall be applied on a monthly basis, the first credit to be the month following the initial deposit. At the option of the employee, the money for the PLP may be invested in term deposits.

A yearly statement of the amount standing to the participant's credit will be sent to the participant by the Employer.

(iii) Benefits Structuring

During the years of the PLP prior to the year of the leave, any benefits related to salary level shall be structured according to the salary the participant would have received during the deferral period had the employee not been in the PLP.

(iv) Premium Cost

A participant's coverage for all Health, Medical and LTD Plans, as more specifically set out in Articles 22, 23, 24 that are in effect immediately prior to the leave, will, if eligibility conditions permit, be maintained during the leave of absence at the employee's option. However, all the premium costs of such plans shall be paid by the participant during the leave.

During the year of the programme that the employee is on leave, any benefits related to salary level shall be structured according to the salary the participant would have received immediately prior to the leave had the employee not been in the PLP.

(v) Seniority

During the year of leave, seniority shall accumulate for the entire period of the leave.

(vi) Pension Contributions

During the year of leave, an employee has two options:

1. To make both employer and employee contributions and thereby earn pensionable service during the year of leave; or
2. Elect to interrupt pension contributions and lose pensionable service for the year on leave.

Should the employee opt to pay both employer and employee contributions, the amount required shall be in accordance with Article 21 of this Agreement.

(vii) Vacation Holidays and Sick Leave

During the year of leave the employee shall not continue to accumulate paid vacations or holidays, as provided for in this Agreement. However, during the year preceding and the year following the leave, the employee will receive full vacation, holiday and sick leave benefits in accordance with this Agreement as if employment had been continuous and not interrupted by the year of leave.

(viii) Payout

At the commencement of the year of leave, the Employer shall pay to the participant the monies standing to the employee's credit, less any premiums or contributions deducted for the year, except as may otherwise be mutually agreed, it being understood that interest is not earned in the year of leave.

- (i) On return from leave, a participant will be assigned to the same position in the same location, or if layoff, displacement or placement provisions have application, the employee will be governed by the appropriate terms of this Agreement.

(h) Withdrawal Rights

- (i) A participant may withdraw from the PLP any time up to six (6) months prior to commencement of the leave. Anyone withdrawing from the PLP shall be paid a lump sum adjustment equal to monies deferred plus interest monies accrued to the date of withdrawal from the PLP. Payment shall be made as soon as possible but must be made within thirty (30) days of withdrawal from the PLP.

LETTER OF UNDERSTANDING #4 - RE: APPLICATION OF SENIORITY UNDER ARTICLE 3.03

1. The Parties recognize that the transfer or re-allocation of servicing districts or assignment envisioned under Article 3.03 may arise from either:
 - (a) posted competitions; or
 - (b) Employer directed transfers or re-allocations.
2. When transfers or re-allocations arise from posted competitions, then the provision in Article 3.03 that "seniority shall be the governing factor providing that qualifications and ability are relatively equal" shall mean that the greater seniority under the circumstances shall result in preference.
3. When transfer or re-allocations arise from Employer direction and not from posted competitions, then the provisions in Article 3.03 that "seniority shall be the governing factor providing that qualifications and ability are relatively equal" shall mean that the employee with the least seniority under these circumstances shall be the employee so transferred or reassigned.

LETTER OF UNDERSTANDING #7 - RE: AGCO

The Parties recognize that it is in the best interest of OPSEU to organize workers. OPSEU has identified that the casino/gaming sector is an area it will organize. In order to do this, appropriate staff must be able to service these workers. The Parties, however, recognize the stringent obligations imposed upon an employee in order to be registered.

OPSSU disagrees that any employee should be forced to comply with the invasive requirements of the registration process. The Parties agree that notwithstanding this Letter of Understanding they will jointly continue to challenge or eliminate the invasive requirements posed by the legislation.

The Parties agree that all current positions that are assigned to provide service to members in the casino/gaming sector will continue to be registered and in future, registration of employees in any Head Office Unit, Local Services or Grievance (Regional Officers) will be contingent on servicing requirements.

Where it has been determined that registration is required, and no current Pro-Tech employee is able to provide the service because of lack of registration, the following process will be followed:

1. The Employer and Union will jointly request appropriate volunteers to apply for registration.
2. If there are no volunteers, the least senior Pro-Tech employee in the unit or area will be required to apply for AGCO registration.
3. It is understood that should a volunteer be denied registration by the Gaming Commission the Parties will put out another request for volunteers. If the least senior Pro-Tech employee is denied registration, the next lowest seniority rated Pro-Tech employee will apply for registration. The process will be repeated until the servicing requirements are met.

This Letter of Understanding cannot be raised or relied upon in future proceedings, if any.
